One fixture. Your switch. Three light settings.

Combine customisable light with a comfortable breeze with the Philips LED retractable ceiling fan light, which includes a remote control. With transparent blades that retract out of sight when not in use and three SceneSwitch light settings, this light creates the perfect atmosphere in any space.

Easy to experience

- Say goodbye to spinning shadows on the ceiling: this fan has transparent blades that can be folded into the light and out of sight when not in use.
- Convenient timers
- The Philips LED retractable ceiling fan light was designed to ensure powerful air circulation and continued reliability over time. Use it alone or with air conditioning for faster cooling.

Ambient light effect

- The Philips LED retractable ceiling fan light offers powerfully bright – yet comfortable – light for your home, which you can control with the included remote control or a wall switch.

Premium quality

- The Philips LED retractable ceiling fan light offers a quiet motor, circulating the air in the room without loud noise.

Control

- The remote control offers easy control of all the functions of the ceiling fan and light. Switch the light or fan on or off, choose from three fan speeds, cycle through SceneSwitch light settings, use the torch feature or set one of five timers.

8719514334441

Mounting

- The Philips LED retractable ceiling fan light has passed strict safety testing and includes drop-resistant screws and a sturdy design alongside other important safety features.

Highlights

Retractable ceiling fan with transparent blades

Say goodbye to spinning shadows on the ceiling: this fan has transparent blades that can be folded into the light and out of sight when not in use.

Convenient timers

Choose from five different timers that turn off your light after a certain amount of time – and set them with the remote control.

Powerful, reliable performance

The Philips LED retractable ceiling fan light was designed to ensure powerful air circulation and continued reliability over time. Use it alone or with air conditioning for faster cooling.

Bright yet comfortable ceiling light

The Philips LED retractable ceiling fan light offers powerfully bright – yet comfortable – light for your home, which you can control with the included remote control or a wall switch.

Quiet motor

The Philips LED retractable ceiling fan light offers a quiet motor, circulating the air in the room without loud noise.

Remote control included

The remote control offers easy control of all the functions of the ceiling fan and light. Switch the light or fan on or off, choose from three fan speeds, cycle through SceneSwitch light settings, use the torch feature or set one of five timers.

Easy to install, safe to use

The Philips LED retractable ceiling fan light has passed strict safety testing and includes drop-resistant screws and a sturdy design alongside other important safety features.
