Highlights

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality stainless steel.

Designed for outdoor use

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for general outdoor use.

Easy to set up

Decorative outdoor lighting

Outdoor lighting can improve the look of your garden or outside space, illuminating eye-catching features, lighting pathways with style or creating the perfect ambience for those memorable evenings with friends and family. That's why Philips has created myGarden, a range of beautiful decorative outdoor lighting with the flair and functionality to help you make the most of your outdoor space in your own style.
