- Designed for outdoor use – water resistant IP44

### **Designed for outdoors**

- Choose outdoor post lights

### **Special characteristics**

- No bulb included

# Highlights

## **Choose contemporary style**

Designed in Europe, this lamp has a unique design signature to help you create a contemporary outdoor look.

## **High quality material**

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality stainless steel.

## **Designed for outdoor use**

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for general outdoor use.

## **Choose post lights**

Make the most of your outdoor space with this post light, perfect for lighting your garden or patio or for accentuating driveways and paths.

## **No bulb included**

This lamp comes without a bulb, which enables you to choose the light output that is best suited to the room and your personal taste. Choosing a Philips LED bulb will ensure high-quality and long-lasting light output.
